DATE: June 2008

TO: Holders of AHCCCS Medical Policy Manuals

FROM: Maureen Sharp, Medical Policy Manager
Office of Medical Policy and Programs, AHCCCS

SUBJECT: AHCCCS Medical Policy Manual (AMPM)
Update, June 2008

There are several technical changes for the month of June.

Reminder - Date Format Change

Please note we have initiated a revision in the format of the AMPM. We are relocating the policy revision dates from the bottom of each page to the beginning of each policy. We believe this will allow readers to better identify when a policy has been modified. We will implement the new revision to date formats as we review policy. Therefore, we will have more than one format until we have completed our review of the Manual.

Chapter 100

The Manual content listed in Section A has been revised to properly include Chapter 1300, Self-Directed Attendant Care (SDAC) Option. This is a technical correction and not a change in policy.

Chapter 700

The format of Chapter 700 has been revised to correspond to the format previously adopted for the AMPM. This is a technical correction not a change in policy.

Chapter 800

The format of Chapter 800 has been revised to correspond to the format previously adopted for the AMPM. This is a technical correction not a change in policy.
